

Dear Parents/Carers,

### Phoenix Academy Instrumental Lesson Scheme

Phoenix Academy is committed to raising achievement through music, offering a variety of exciting projects and musical opportunities to our students. The Phoenix Academy Instrumental Lesson Scheme is an opportunity for any student year 7-11 to learn a musical instrument in addition to their main school music timetable.

Places on the instrumental scheme are limited and will be offered **on a first come first served basis**. Lessons will be taught by an experienced team of specialist tutors with the following instruments available to learn from October 2017: **piano, guitar, bass guitar, drum kit, voice, flute, clarinet, saxophone, trumpet, trombone, violin or cello.**

Lessons will be charged at a subsidised rate of **£15 per half term** (or £90 for the academic year) and there will be no charge for students who are pupil premium or on free school meals. Students will receive a 30-minute weekly lesson and will be taught in small groups or individually, where possible. To minimise disruption to curriculum lessons, instrumental lessons will be organised so that students do not miss the same lessons each week.

Students will need to have their own instrument to practise on at home however there will be a limited supply of instruments available on loan from the music department for a small fee. Instrumental teachers expect students to practise regularly between lessons (it is suggested that students practise half an hour per day where possible). Students are expected to attend at **all** lessons and take part in school ensembles after school or during lunch. **Please only recommend your son/daughter if you are certain that they are fully committed to taking instrumental lessons.**

If you are interesting in your son/daughter learning a musical instrument, please return the below slip to Miss H Morris by **Friday 20 October 2017**.

Yours sincerely,  
**Miss H Morris**  
*Music Teacher*
