

Friday 2nd March 2018

Dear Parent/Carer,

Re: School Closure

Having considered all factors and weather forecast carefully, on balance, we feel it is wiser to close the school today, Friday 2nd March 2018. The safety of the children and everyone associated with our school is our highest priority. Several members of staff live considerable distances from school, which adds further complication in ensuring adequate cover for all classes.

Thank you for your understanding. We never make these decisions lightly and fully recognise the complications of childcare that occur when the school is unavoidably closed.

We will open as normal and look forward to having the children back on Monday 5th March 2018.

Yours,

Oliver Knight
Executive Headteacher
